Whatever hotel you use, please be sure to confine spraying males (and females!) & clean up after yourself and your cats so we will be welcome here again. Please make every effort to leave your room in the condition it was found, or better. Tipping housekeeping staff doesn't hurt - happy housekeeping staff don't complain to management! If you have a problem you can't take care of yourself, please let show management know and we will do whatever we can to help. The condition of your room reflects on the entire cat fancy, and it only takes one mishap to lose a hotel (even a whole chain) forever.
